- Business growth strategies
- Group training

ROD MANNING

Bachelor of Veterinary Science (Hons) -
University of Melbourne

Cert IV Assessment and Workplace Training

Rod is a Beef Production and Farm Management Advisor with Meridian Agriculture. He has an in depth knowledge of the Australian beef industry and is widely respected for his ability to cover all aspects from production through to marketing. Rod runs 1200 Angus breeding cows in conjunction with his wife Maryke, and until recently ran the Mansfield veterinary clinic.

Rod is heavily involved in, and leads, several farm discussion groups that include Beefcheque, Storelink and the Edge Network program. He is currently delivering training to consultants as part of the More Beef from Pastures program

Rod holds a Bachelor of Veterinary Science from the University of Melbourne and is the winner of the Beef Medicine Prize. Rod is a member of Australian Veterinary Association and an Accredited Veterinary Surgeon: Animal Health Australia.
